COOKIES POLICY

The present policy explains and sets how the INGRAPH LTD as the operator of the INGRAPH platform uses cookies.

Cookies are small pieces of text used to store information on web browsers. Cookies are used to store and receive identifiers and other information on computers, phones, and other devices. Other technologies, including data we store on your web browser or device, identifiers associated with your device, and other software, are used for similar purposes. In this policy, we refer to all of these technologies as "cookies."

We use cookies if you have an INGRAPH platform account, use the INGRAPH platform services including our website and apps, or visit other websites and apps that use the INGRAPH platform. Cookies enable INGRAPH to offer our services to you and to understand the information we receive about you, including information about your use of other websites and apps, whether or not you are registered or logged in.

Why do we use cookies?
Cookies help us provide, protect and improve the INGRAPH platform, such as by personalizing content, tailoring and measuring ads, and providing a safer experience. While cookies that we use may change from time to time as we improve and update the INGRAPH platform, we use them for the following purposes:

Authentication
We use cookies to verify your account and determine when you're logged in so we can make it easier for you to access the INGRAPH platform services and show you the appropriate experience and features.
For example: We use cookies to keep you logged in as you navigate between INGRAPH platform pages. Cookies also help us remember your browser so you do not have to keep logging into the INGRAPH platform and so you can more easily log in via third-party apps and websites.

Security, site and product integrity
We use cookies to help us keep your account, data, and INGRAPH platform safe and secure.
For example: Cookies can help us identify and impose additional security measures when someone may be attempting to access an INGRAPH account without authorization, for instance, by rapidly guessing different passwords. We also use cookies to store information that allows us to recover your account in the event you've forgotten your password or to require additional authentication if you tell us your account has been hacked.

We also use cookies to combat activity that violates our policies or otherwise degrades our ability to provide the INGRAPH services.
For example: Cookies help us fight spam and phishing attacks by enabling us to identify computers that are used to create large numbers of fake INGRAPH accounts. We also use cookies to detect computers infected with malware and to take steps to prevent them from causing further harm. Cookies also help us prevent underage people from registering for INGRAPH accounts.

Advertising, recommendations, insights, and measurement,
We use cookies to help us show ads and to make recommendations for businesses and other organizations to people who may be interested in the products, services or causes they promote.
For example: Cookies also allow us to limit the number of times that you see an ad so you don't see the same ad over and over again.

We also use cookies to help measure the performance of ad campaigns for businesses that use INGRAPH services.

For example: We use cookies to count the number of times an ad is shown and to calculate the cost of those ads. We also use cookies to measure how often people do things like click on or view ads.

We use cookies to enable the functionality that helps us provide INGRAPH services.

For example: Cookies help us store preferences, know when you've seen or interacted with INGRAPH services content, and provide you with customized content and experiences. For instance, cookies allow us to make suggestions to you and others, and to customize content on third-party sites that integrate our social plugins. I

We also use cookies to help provide you with content relevant to your locale.

For example: We store information in a cookie that is placed on your browser or device so you will see the site in your preferred language.

Performance

We use cookies to provide you with the best experience possible.

For example: Cookies help us route traffic between servers and understand how quickly INGRAPH services load for different people. Cookies also help us record the ratio and dimensions of your screen and windows and know whether you've enabled high contrast mode so that we can render our sites and apps correctly.

Analytics and research

We use cookies to better understand how people use INGRAPH services so that we can improve them.

For example: Cookies can help us understand how people use the INGRAPH services, analyze which parts of the platform people find most useful and engaging, and identify features that could be improved.

Where do we use cookies?

We may place cookies on your computer or device, and receive information stored in cookies when you use or visit:

- The INGRAPH platform;
- Websites of our partners.

Your right to be informed and to withdraw consent

Once you visit the INGRAPH website you will be duly notified of our use of cookies. You may provide us with a filled-out refusal for the use of cookies.

In the event of cookie refusal, the INGRAPH platform may limit access to certain services or block the account.

The use of cookies is regulated by the INGRAPH Privacy policy and the present cookie policy.
